

## **Manitoba Rural Learning Consortium (mRLC) Is Seeking a Co-Director (Share Position)**

The Manitoba Rural Learning Consortium (mRLC) is an innovative and responsive learning organization supporting 25 rural school divisions in addressing the unique challenges facing rural education. mRLC works across and within school divisions with a focus on closing the gap between “knowing and doing.” Please see [www.mrlc.ca](http://www.mrlc.ca).

The successful individual must have the following attitudes, skills and dispositions:

### **Experience**

- Teaching and leadership experience at both the school and divisional level in the province of Manitoba
- Teaching experience in a range of grade levels
- Commitment to the core values of mRLC and having an understanding of rural education

### **Education**

- A Master's degree or equivalent
- A deep knowledge and understanding of the Manitoba curriculum

### **General Attributes**

- Demonstrated experience in quality literacy and numeracy instruction and assessment
- Strong oral and written communication skills in a wide variety of media
- Strong foundation and experience using research, evidence and change theory
- Ability to provide on-site services to rural Manitoba school divisions
- Willingness to work collaboratively with the other members of the mRLC team and Board of Directors

### **Skills**

- Demonstrated ability to use digital resources and tools to support communication and learning
- Ability to apply basic budgeting skills to plan and implement programming
- Possession of a strong facilitation skill set

Starting date for this position is TBD.

The closing date for application is **March 3, 2017**. Interviews will take place by the end of March; only those invited for an interview will be contacted.
