

Director of Education/CEO

The Living Sky School Division No. 202 Board of Education is seeking a visionary, visible educator to be its next Director of Education/CEO. The position is effective August 1, 2017 or on a date as mutually agreed.

The Living Sky School Division No. 202 operates 29 schools located in the Battlefords as well as in rural areas including Cando, Cut Knife, Hafford, Kerrobert, Leoville, Luseland, Macklin, Maymont, Medstead, Spiritwood, Unity, Wilkie and Hillsvale, Lakeview and Scott Colony schools. Heritage Christian School and Meadow Lake Christian Academy are associate schools.

As the Director of Education/CEO, you will provide leadership for over 900 professional and support staff in the delivery of educational services to 5,700 students from pre-kindergarten to Grade 12. The annual operating budget of the division is \$67M. As the leader, the successful applicant will be committed to the division's Vision: *Growth Without Limits, Learning For All* and Mission: *Shaping Our Future Through Thoughtful Schools*.

The Director of Education/CEO must have a clear vision, be able to communicate it effectively, and lead the school division and the community it serves towards attainment of the vision. To that end, she or he will be a visible leader. The Director will be collaborative and approachable, but will have high expectations of self and others. He or she will seek input on important decisions, effectively weighing risks and opportunities, while having the ability to make difficult decisions in challenging circumstances.

With experience in a senior division office position, the Director will be a goal-oriented person of integrity who understands the importance of fiscal responsibility. Experience as an in-school administrator and with First Nations and Métis people will be considered as major assets in the selection process.

Candidates must be eligible for membership in L.E.A.D.S. Applications, including a cover letter and a detailed resume including a minimum of three work related references will be received until a suitable applicant is found. To ensure that they are considered, candidates should submit applications by June 30, 2017. Criminal record checks will be required for those who proceed to the interview process.
