Sunrise School Division Announces New Assistant Superintendents

Beausejour, Manitoba: Sunrise School Division is pleased to announce the hiring of Leanne Peters as Assistant Superintendent, Learning & Instruction Development and Jacqueline Julien as Assistant Superintendent, Learning & Student Support Services.

With the promotion of Cathy Tymko to Superintendent/CEO and Lesley Eblie Trudel's move to the University of Winnipeg, candidates were recruited for the two assistant superintendent positions at the same time. Leanne Peters will join the Sunrise team on August 7, 2018 and Jacqueline Julien will start on January 1, 2019.

"We are very impressed with the teaching and administrative experience Leanne and Jacqueline bring to their new positions. Both have a deep commitment to the public education system and have years of experience both in the classroom and at the leadership table," says Superintendent Barb Isaak. "We're thrilled to have them join our team," she adds.

Ms Peters has worked the last seven years as Assistant Superintendent, Learning Support for Lakeshore School Division where she has proven experience in system change and teacher transformation. Prior to that, Ms Peters was a teacher, vice principal and principal for seven years in Rolling River School Division and taught for five years in Mountain View School Division.

Ms Julien has ten years' teaching experience and has worked 17 years as a school administrator in Sunrise School Division. She has worked alongside staff, students and parents in several communities within the division to create numerous creative learning opportunities. She believes literacy/numeracy, citizenship and engagement are central to student learning.

"Please join us in welcoming both Leanne and Jacqueline to our Sunrise Leadership Team," Superintendent Isaak says.
