

## PRIORITIES 2019-2020

### **Mission:**

**MASS provides leadership for public education by advocating in the best interests of learners, and supports its members through professional services.**

**MASS believes that our mandate is to be *leaders of learning*, in our local school systems and in the broader domains of provincial, national and global public education. MASS believes a quality education empowers the whole child to constructively participate in global society.**

We model learning that is:

- active and visible;
- based on robust research;
- tested through purposeful application in the field;
- evaluated using a wide range of meaningful data.

We take responsibility for our own continuous learning and the learning of everyone we lead:

- creating and fostering safe, supportive, inclusive and challenging environments;
- ensuring essential learning for each and every child;
- preparing others to go beyond our own learning.

We are guided by our learning in shaping policy and practice to achieve what is best for the learners in our care.

**MASS believes that *improved achievement and well-being for all of our students requires a shared commitment to raising both equity and quality.***

- A conscious and persistent commitment to equity, system-wide and across sectors, leads to poverty reduction, greater inclusion and an appreciation for the riches that diversity brings.
- A purposeful and sustained commitment to quality education for every student increases the capacity for teaching, learning and leading throughout the system.
- A strong grounding in literacy and numeracy and a rich learning experience involving inquiry, curiosity, creativity and artistic expression enables all students to achieve success and to flourish in life, academics and career.
- A respect for and openness to authentic youth voices and support for meaningful student action are critical for building capacity and self-efficacy in our students.

**MASS actively works towards equity and quality throughout the public education system, with a special focus on three action areas:**

- **Early Learning**
- **Indigenous Education Mental**
- **Health and Well-Being**

**The Early Learning Committee will take leadership to ensure that MASS:**

- Advocates for full implementation of the Calls to Action in the MASS position paper on Early Childhood Education.

- Promotes ever increasing academic achievement, graduation, school completion and positive life outcomes for Indigenous students, informed by collective inquiry into evidence.
- Actively supports the teaching of Indigenous perspectives, corrective history and culture and the use of Indigenous languages.
